

Wolverine Guidance

Sophomore Year Timeline

Fall

- Maintain a strong GPA and keep those grades up!
- Challenge yourself and go beyond the minimum requirements.
- Form study groups with friends who also plan on going to college.
- Consider tutoring if you are falling behind.
- Strive to do two hours of homework most nights.
- Sign up for one new extra-curricular activity this year.
- Update your ECAP with parents, counselors, or your college support team.

**Did you know you can take the PSAT as a sophomore for practice?
Sign up with your school counselor.**

Spring

- Become familiar with the college planning process by visiting sites like <https://bigfuture.collegeboard.org/>
- Begin to research some college choices by looking at college websites.
- Update your resume file with grades, certificates, awards, etc.

Summer

- Consider a part-time job, summer school, attending an academic summer program or volunteering.
- Attend a college fair.
- Prepare for the PSAT by taking studying and taking practice tests.
